Tirine Education Science Order Form

Invoiced Orders:

New Zealand and Australian Schools

School invoicing on credit is available for all New Zealand and Australian schools on orders of NZ$80 or more. Credit is given conditional on invoices being paid in full on the 20th of the month following the invoice date.

Downloading Files

These files are digital downloads, (300 dpi JPEGs). After placing an order, the person responsible for receiving orders in the school will receive a link via email that can be used to access the files.These files can be printed on school printers or taken to a professional printer. We recommend that larger posters be professionally printed.

Refunds and Cancellations

As these are digital files, the order can't be cancelled or refunded once the files have been downloaded by the purchaser. Please check the files being ordered to ensure they fully meet your school's requirements, or email us if your require further information. We will replace any damaged or lost files at no cost.
